Required Form for Preschool: Birth Certificate**

I wish to register the above named child for the 2026-2027 academic year at North American Martyrs School.

I understand the costs and payment structure and agree to fulfill these obligations of monthly payments.

To ensure your child has a space in our 26-27 full day preschool, please return this form back to the Martyrs School Office. We will then bill the \$150 registration fee to your FACTs account. This paid fee is what guarantees your child's spot.

If your child is enrolled in a preschool or pre-kindergarten program at Martyrs, you do not need to attend the preschool or pre-kindergarten preview.
